COOKIE

world's cutest rebel

Hi, guys! It's Shawna the intern. The first time Cookie posed for us (*Cookie & Cream*, Anniversary 2008), she was a wild high school senior looking to rebel. Now, six months later, she's—surprise, surprise—a wild high school senior looking to rebel!

Hi, Cookie! So, what did your friends think of your first layout?

My girlfriends were very supportive. I had a total blast doing it, and I think that shows in the pictures. I tried not to tell too many guys 'cause I didn't want it getting out all over school, but one of my *teachers* saw it!

Did you get in trouble?

What? No! I'm 18. I can do whatever—and whoever—I want.

Did something happen between you and this teacher?

Mm-maybe. I might have sucked his peen after school once or

twice—or eight times. But I don't want to say his name. He could totally get in trouble for it, since I'm still a student.

Do you like older guys?

Sometimes. I like guys who know what they're doing in bed. High school boys are too scared to make the first move. You know, if I'm going out with you, I obviously like you, so it's okay to grab my ass or put my hand on your crotch.

How's your sex life?

Being a nude model has *definitely* scored me bad-girl points, but I still don't have as much sex as my girlfriends—if you can believe them!

What do you do to get a guy's attention?

I'm pretty outgoing. I like to flirt a lot. I don't have too much trouble getting a guy's attention. But if I see a really cute guy, and he's not picking up what I'm putting down, I'll bend over and point my butt at him!

photography by john emsile

Has any guy been able to resist your ass attack?

Nope. Well, once, but I'm pretty sure he was gay.

What's your favorite sexual activity?

Anal sex is the best! Most of my girlfriends are like, *Ewww!* But it's great when the guy knows what he's doing. You have to have lots of lube and be really relaxed.

Where do you like a guy to come?

It depends. If I'm giving him a BJ, I like it in my mouth so I can swallow. If he's doing me doggy-style, I like it on my butt cheeks.

Are you interested in becoming a porn star or anything like that?

I don't know if I'd go *that* far, but who knows? It sounds like a good job! How come they didn't tell us about *that* on Career Day? LOL! If you don't go into porn, what are your future goals?

I can't wait to start college this fall. I plan to have the *full* college experience. ★

PANTY CONTEST WINNER

Announcing the results of BARELY LEGAL's November 2008 Panty Giveaway contest! Reader B. H. of Arkansas submitted his own poem and totally rhymed his way into our hearts—and Rikki's panties. Congratulations!

Dear BARELY LEGAL,

I truly enjoy BARELY LEGAL and would love to win beautiful Rikki's panties. My entry is in the form of a poem for her. She just stands out as the most totally good-looking of young ladies to pose for you. A rare find indeed. Bring her back and boost circulation. Keep up the good work, Lindsey.

Lots of lust,

B. H.
Arkansas

Rikki, oh Rikki
You are truly fine
You make me hard
All the time
In my dreams,
Your legs and mine
intertwine
And you blow my mind

While looking into
Those eyes of brown
And further down
To your lovely mounds
WOW! Then to that cute
behind
So divine, ready to 69
Seeing you, Rikki
With panties down
Paradise is found
Making for intense licking
And some all night dicking

Treated to your sweet scent
My horniness makes a tent
Until drained and spent
Your panties put up airtight
To be inhaled another night

Hi Lindsey,

Just wanted to comment on Aaliyah, the Teen Queen in the October issue. As all can see, she is sweet and innocent on the outside. Her smile is breathtaking. The coy look on her face. Page after page revealing more and more of herself, showing off the prettiest pussy I have seen in quite some time. Reading what turns her on. Seeing her finger in her cunt and reading that she loves to have her ass licked. And when I turned the next page and saw the butt plug and the vibrator in her tiny little body, I shot the biggest load of my life, and I plan on doing it over and over again. Thank you, BARELY LEGAL; thank you, Aaliyah; and thank you, God, for finally creating my dream girl.

Larry
by Internet

Dear Aaliyah,

I just had to write to you and let you know what I think about you! I've subscribed to a variety of men's girly magazines over the last ten to twelve years, and you are without a doubt the most beautiful and sexiest lady I have ever seen in any of them—and that's just the beginning to the long list of your desirable qualities! So many of the things you say you like to do and how you feel about things is almost the exact same way I feel! And when you said "anything to do with the mouth or tongue," it made my heart and stomach do a full somersault with a half twist. I think it is so much fun to make a woman go crazy using my mouth and tongue on both her pussy and butt, and you have such a perfectly beautiful butt and pussy.

I just keep looking at your pictures and ache with desire, wishing I could meet you. Your eyes, your smile make such a sweet, beautiful face. I could look at and kiss you for hours, and I know I would never want to stop licking and sucking on that lovely little pussy and butthole of yours if I got the chance to start. And those fantastic, yummy titties. Every inch of your body is just so perfect—gorgeous legs, flat, smooth tummy. Any man you wanted (or woman) couldn't possibly say no to you!

Love you,
D. J.
Washington

Thanks, Larry and D. J.! Posing made me feel so sexy, but getting compliments is even sexier. Wish I had my butt plug with me right now. Or one of your tongues! ;)

—Aaliyah

Dear Nancy,

I just wanted to tell you how beautiful you are and how much I enjoyed your pictures. I bought the September issue of BARELY LEGAL, and the best thing in it was the picture of you on the back page [Coming Next]. I knew I had to see more of you, so I rushed out and bought the October issue right away!

You are one of the sexiest girls I've ever seen. I've got a huge crush on you! You've got such a pretty face and a drop-dead sexy little body. You have such beautiful eyes and an amazing smile, a really cute butt, and your nipples and pussy look so damn delicious. You've just got this indescribable quality that makes you, like, wow. And your personality really shines through in your pictures. I love it because it's not, like, slutty or an "I'm too good for you" type of hot, but just really sweet and sincere, which to me is the sexiest type of girl there is. I bet you're so awesome in bed. Those guys in Sacramento are so damn lucky! I wish I knew you!

Well, I just wanted to tell you that, and I hope it makes you feel good. *77 amo*, pretty lady!

**Julian
Indiana**

Dear BARELY LEGAL,

You've done it again, and I thank you. Unreal—Lindsey's words to describe Nancy's nips are so right on. Also, the rest of her is awesome beyond belief. Lindsey, you are so lucky to have touched Nancy's nipples. I wish I could, though I know I could not have stopped at a touch. My mouth waters at the thought of being able to suck on them and the rest of that awesome girl. You always have beautiful girls in your mag. Then you have Nancy, far beyond beautiful.

Lindsey, tell everyone there "good work" for me. Please, let's see a lot more of Nancy!

**S. B.
Colorado**

Wow! When I asked the readers to comment on my photos, I didn't think it would really happen! Now I'm feeling shy! But anyway, Julian and S. B., I promised to love you forever—and I totally will! —Love love love, Nancy

Dearest BARELY LEGAL,

Why are 99 percent of your girls shaven? A nicely trimmed bush just above the slit is very, very sexy and a turn-on for men. Could you ask the girls to show some hair, please? Just for all us millions of men who like a little hair down there?

Panty Fetish from Texas

Dear BARELY LEGAL/Lindsey,

After many years of subscribing to your magazine, I finally decided to write. First, I just want to say that I think you have the finest magazine out there, and it is the only one which I maintain my subscription to. Honestly, I don't remember exactly how many years I have been a subscriber, but I know I have issues from the '90s.

Please consider [this comment] constructive criticism from someone who still thoroughly enjoys your current magazine. Year after year, I keep getting BARELY LEGAL for the beautiful, natural, girl-next-door-type women. One thing I have noticed over the years is that most of the women now completely shave, as compared to the pictures from a decade ago. This is disappointing to me, as a more natural look (and what I remember when I dated women of their age) is to have a neatly shaven bush, not bald. Don't get me wrong—a clean-shaven woman is still worth a look, but a little hair is better. I especially liked the recent section on unshaven French women [BARELY LEGAL News Flashes, September 2008].

Thank you all for your time. Keep up the good work.

I have awesome news for you, Panty Fetish and A. S.! See below. :)

BARELY LEGAL BOOB WATCH

We heart English pop star Lily Allen ("Smile"). Not only is she an awesome singer, but she does *not* kid around when it comes to nip slips.

For instance, the other day, as Lily was getting out of her car? Her *entire left boob* popped out of her shirt in front of a bunch of photographers. She just laughed, went shopping, came back home, got out of the car again—and her *right boob* popped out!

Lily laughed *again* and told the photographers she wished she would have worn a bra that day. Oh, Lily—you so totally did not wish that. You went out shopping braless again the very next day—with your grampa.

We know what you *really* wished—to be in BARELY LEGAL. Well, your wish is our command!

YOUNG CELEB FANTASY

In real, Muggle life, *Harry Potter* star Emma Watson is a total overachiever, just like her alter ego, Hermione Granger. The Brit babe made her movie debut at age 11, she's won tons of acting awards, she's worth over a gajillion dollars, and she's applying to Harvard.

The only area where Emma is *not* at the head of the class? Being a BARELY LEGAL girl! She started out strong, flashing her completely sheer panties at her 18th birthday party last April (see our Anniversary 2008 issue), but after that...*nothing*. Not even a measly nip slip!

Emma, you've got *one month* to go before you turn 19. Don't flunk out on us now!

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, I never told you before, but I work *insanely* long hours on this magazine. It's not 'cause the job is hard—it's 'cause I have to stop and masturbate every five minutes! It's awesome for my pussy, but bad for deadlines. So—I decided for *this* issue, I was going to be all about efficiency. No coochie breaks. I even took notes! Look:

"First layout: Cookie. Okay, this is already tough. Her butt is *extremely* juicy. But I am an editing *machine*. I'm turning the page in a very businesslike way.

"Aimi. Wow. Her pussy is so soft-looking. Pussy fur really turns me on. I mean, when it rubs against my mouth.... *Turn the page, Lindsey.*

"Christine Michaels—*ooh*, I *love* red hair. Ella—she's totally looking at me all sexy. *I am an editing machine.* Dakota Brookes—Oh.My.God. Her clit is *completely* popped out. **TURN THE PAGE, LINDSEY.**

"Emmy—her tits are *perfect*! Jessie Alba—she's so *dirty*! Tanya—OMG, stop spreading your butthole like that! I can't take it! I can't...*UNNNNGHH!*"

You guys—I was up *all* night. I *can't* keep my hand out of my panties while I work on BARELY LEGAL. But seriously, can you blame me? :)

xxx Lindsey

AIMI

fun-sized

Hill Shawna the intern here with teeny high school senior Aimi. She weighs 96 pounds dry, but 97 pounds wet. *Hmm*—must be all that hair down there!

What are your hobbies?

I like to cook, read, listen to music, be outside.

What's your relationship status?

I'm single and looking for a relationship.

What kind of guy are you looking for?

Fun, honest and super sweet. Bonus points if he can make me laugh.

Do you like older guys?

I *love* older guys. They're sexy. Plus, the older guys I've been with were better in bed!

What's your biggest turn-on?

A good sense of humor is the hugest turn-on for me. Personality is more important than looks. But if you're hot and funny, I won't complain. LOL.

What's your ideal date?

I like to cook for the guy, then cuddle up and watch a movie—and maybe more if my parents aren't home!

What's your favorite position?

I don't know. I like them all. I'm not very experienced, so it's all pretty new to me. --->

AGE: 18
HEIGHT: 4-11
WEIGHT: 96 POUNDS
MEASUREMENTS: 30A-21-28
HOMETOWN: SAN MATEO, CALIF.

Do you like to give BJ's?

Of course! But the guy has to be the right size for my mouth. If he's too big, I'll choke!

Do you like receiving cunnilingus?

I love it! That's the best way to guarantee that I'm going to come.

Are you bisexual?

Not really, but I guess you could say I'm curious about being with another girl.

What do you think is your best physical feature?

The only thing guys ever comment on is my butt. I hope it looks okay.

Have you tried anal sex?

Yes, but as soon as he got the tip of his penis in, I started screaming! It hurt too much. I hear if you use a sex toy first, it's supposed to feel way better. Maybe I'll try that next time.

What's the wildest sex you've ever had?

I had really wild, rough sex one time with an older guy. He

pounded me really hard and spanked my butt, calling me names. It was weird, but kinda hot.

Have you ever been caught having sex?

No, but my stepbrother caught me masturbating! He just stood there and watched. I was too horny to stop!

How often do you masturbate?

Whenever the urge strikes—two, three times a week.

What do you think about when you masturbate?

I think about all the sex I've had—or want to have! If I need to come in a hurry, I think about having two guys at once.

What's your ultimate sexual fantasy?

Sex on the beach under the stars next to a roaring fire—and with no sand in my crack!

Why did you decide to try nude modeling?

What can I say? I'm a naughty girl. Just thinking about all the guys looking at my photos turns me on. Hey, maybe I'll use that the next time I masturbate! ★

**“I was too horny
to stop!”**

CHRISTINE MICHAELS

**the (naughty) girl
next door**

Hey! It's Lindsey. You guys, there's something about redheads—even when they look as wholesome as high school grad Christine, they are *always* wild deep down.

Did you like posing nude?

Yes, it just makes you feel sexy in all the different positions.

What's your best physical feature?

My boobs, because they're natural. People say they're a good size for my body.

How often do you masturbate?

Once a week.

What's your favorite way to do it?

Rubbing the outside of my pussy or in the shower with the showerhead.

What kind of guys do you like?

Funny, sweet guys with long hair and tattoos.

Do you like to give BJ's?

I love it. I like to please the guy I'm with.

Knowing how much he likes it gets me off.

Are you a spitter or a swallower?

Swallower. Why not? Don't waste a good thing!

Do you like to have your pussy licked?

Yes. It feels really good and is the easiest way for me to come.

How do you like to be fucked?

From behind, with a little hair-pulling.

Do you like anal sex?

I don't *hate* it, but it makes me feel uncomfortable. I did like it a lot this one time, though.

Where do you like a guy to come?

Inside me or in my mouth.

Are you bisexual?

Yes.

She is standing in front of a dense background of green foliage and bare tree branches. The lighting is bright, suggesting daylight. The overall tone of the image is sensual and candid.

What was your best time with a girl?

The first time, when this girl took me by the hand and had her way with me in the bedroom.

Have you ever had a three-some?

I've had a *four-some*! It was me, my boyfriend at the time, his friend and his friend's ex-girlfriend.

What is the naughtiest thing you've ever done?

Walking around topless in front of a bunch of strangers and some friends.

What's the absolute best sex you've ever had?

When my dad went out of town and I told my family I was going to stay with a friend, but instead I had my ex-boyfriend come over and we stayed at my dad's. We had the house to ourselves the whole weekend and had great sex.

straight-O student

No, not yet. But I have friends who've tried it, and they *love* it. Maybe I'll try it when I find the right guy. I think my first time in the butt should be special, don't you? ----->

What's the wildest sex you've ever had?

Just a couple weeks ago, I had sex in the living room right before my parents got home. Every time I heard a car coming, my heart would pound in my chest. It was the most exciting thing ever.

Have you ever actually been caught?

No! Omigod, my parents would die. They think I'm still a virgin!

What's your ultimate sexual fantasy?

I have a huge crush on a friend of my dad's. I know it would be so wrong to sleep with him, but I love to fantasize about what he'd do to me if I tried to seduce him.

Why did you decide to try nude modeling?

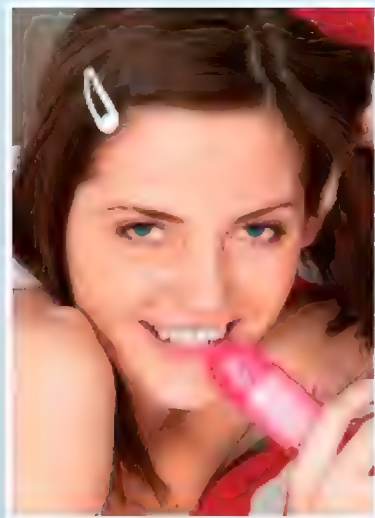

The idea of doing it turned me on. In reality, I was a little more nervous than I thought I'd be, but playing with myself helped me relax. Can you tell? ★

**DAKODA
BROOKES**

let's get nasty

Hey, you guys! Devon the intern here to announce that Dakota Brookes is back! The 19-year-old nympho was the covergirl and Teen Queen of the Month for our Anniversary 2008 issue. She's also been on the cover of *HUSTLER* (May 2008) and has starred in a bunch of DVDs. But she doesn't let the attention go to her head—which is good, 'cause my attention doesn't go there, either! LOL!

Hi, Dakota. What's new?

I just did my first anal scene the other day.

Wow! Okay, um, how did it go?

Great! I was a little nervous. I had only done anal in my personal life before—and that was with my ex. It hurt at first, but we got to the point where I started to like it.

How big was the guy's thing?

Not *too* big. Good thing! As tight as my pussy is, my asshole's even tighter.

Did you have an orgasm?

Yeah, I did! I have orgasms a lot now during scenes. I recently found out I'm a squirter!

So, you like having sex on camera?

Yeah, it's a lot of fun. I love the experience of being with different guys and doing different things sexually. I don't have a lot of sex in my personal life, so by doing porn I'm probably having about as much sex as most girls my age.

How much sex *do* you have in your personal life?

I've only had sex once off camera since I broke up with my ex and started doing porn.

Why is that?

I don't know. I'm so busy with school and work that I don't have time for a relationship. Plus, my upbringing was kinda strict. I love having sex, but I'm not that wild in real life.

How often do you masturbate?

Not that often. I never used to do it in high school. My parents always taught me it was wrong. Sometimes I play with myself, but only when I *really* need sex.

What do you fantasize about?

I like to think about doing really nasty, kinky stuff—the dirtier the better—and getting caught! I think it would be hot to have someone catch me having sex and then join in.

Have you ever had a threesome?

Not yet, but it's something I really want to try.

What's the best sex you've ever had off camera?

Sex in public is the best! I get off on knowing people are watching me.

What are your future goals?

I'm studying to be a designer or an engineer. But I'm having a lot of fun doing porn. I'd like to stay in it for a while. I think maybe I'd like to direct my own porn movies someday.

So, it's safe to say we haven't seen the last of Dakota Brookes?

As long as I'm having fun, I'm going to keep having sex on camera! ★

TRUE LOVE WAITS

(TILL IT CAN'T
STAND WAITING
ANY LONGER)

When I was 16, I took the purity pledge: "One life, one love." My stepdad gave me a ring for my birthday, white gold with a ruby-studded heart protected by a cross. I promised to stay pure till I got married. We danced at the father-daughter purity ball. I wore a golden gown, and he vowed to protect me as a regal princess. I believed with all my heart in chastity.

I've been so good for so long, keeping dirty thoughts at bay and refraining from ever touching myself, or another person, inappropriately. Then I became a woman two months ago, 18 years old, and my body's secret desires took control of me.

The first bad thing I did was to masturbate. I touched myself at home, in my shower, with Mom and Stepdaddy downstairs watching the Christian Television Network. I closed my eyes and focused on the hot water rushing down my body. My boobs were swollen and tingly, and a heavy, throbbing sensation pounded between my legs. It was so scary and exhilarating!

I slipped my index finger between my labia. Yes, I know about labes! I learned from Sheila, the crazy Lindsay Lohan sex girl in my gym class. She's kind of, like, an emo-hippie. I always secretly admired her because she's such a strong individual and *super* pretty, but she was also kind of slutty—how could we ever be friends? Also, she picked on me. One time in the locker room, she spread her vagina at me. "Ever seen a clit?" She pointed at the swollen, pink tulip. I was mortified, but then I kept thinking about her clitoris all day.

my time playing with my slippery nipples and my wet butt cheeks, but I needed to hurry just in case someone did come in. I'd gotten really good at coming quickly.

When you're about to orgasm, it's like the whole world falls away, like you're blacking out or rocketing into space. That started happening in the locker room. I twitched and wobbled. My eyes crossed. When I groped for the faucet so I wouldn't lose my balance, I grabbed something else, something warm and soft—*omigod!* It was another human being!

"*Sheila!*" I screamed.

She clamped her hand over my mouth. "Sorry." Her eyes wandered over my naked body. "What's wrong with you, janing off here in the open? Anyone could walk in. If you were *that* horny, why didn't you just tell me? I can show you all kinds of cool stuff." She leaned in close, her lips brushing against my ear, and whispered, "If you make it with a girl, it doesn't count as sex."

It's true—Sheila couldn't break my hymen. Unless she used one of those crazy donger things they got in trouble for selling at the Jokes N' Gifts shop at Mesa Mall. Still, lesbianism is wrong in the eyes of God. Of course, so is masturbating, so what can you do?

Oh, well. I was dying to find out what it would feel like for someone else to touch my pussy. And with Sheila, I wouldn't be committing actual fornication or fellatio. Besides, I know for a fact there are girls in my church group who've kissed before,

A BARELY LEGAL CONFESSION BY SUSANNA GOTT P H O T O G R A P H Y B Y D A V E N A Z

At any rate, there I was playing with myself in the shower, and thanks to Sheila I knew where to find my clit. I flicked it with my thumb. My body flushed. I had to lie down in the bathtub so I wouldn't faint, and also to get a good grip on my coochie.

I propped my back up so I could watch my pussy. I stuck the tip of my finger just barely inside my hole (I didn't want to go too far and devirginize myself!) and jiggled. A weird feeling welled up inside me. It was pleasurable and scary at the same time. It was like little firecrackers popping inside of me—tiny, hot bursts deep inside growing stronger and more intense. I gasped for air. My heart raced. Pressure built up and up until—*whooooooooosh!* I exploded.

Lying there in the bathtub gasping for air, I wondered if I should feel guilty. Maybe it meant I was oversexed or a nymphomaniac, having an orgasm the first time I ever touched myself. Surely there was *something* wrong with me? That night in bed, I tried to read my Bible and pray, but I really couldn't concentrate on spiritual things. I tossed and turned. I wanted to feel what I had felt again. So I rubbed my pussy till I came. Finally, I could sleep.

After that fateful day, I was 100 percent, 24/7 horny. I knew I was a horrible sinner, but there was nothing I could do to shake the feeling. I could either suffer terribly, or masturbate. Which is what I did, a lot. Masturbate, I mean. I did it in the shower every morning and in bed every night, and also I'd sneak and do it in the bathroom at school. I got bolder and bolder, and less and less ashamed. If I wasn't careful, I was going to get caught! Which is exactly what ended up happening.

I thought I could sneak a quick girl jerk in the locker room between gym class and lunch break. I figured I was safe 'cause the whole school was headed for the cafeteria. I stood under the shower, rubbing the soap all over my body. I wished I could take

and who knows what else.

"Okay. Where're we going?"

"The science storage closet," Sheila said. "Hurry—we've only got a half hour till fifth period."

There weren't many people in the halls, but I wondered if those who were there noticed anything strange. Like, what is Susanna Gott doing with Sheila Drago? I mean, I go to an all-girls school, so there is a *lot* of gossip. Plus there are lots of rumors about lesbian lovers, but that's a whole other story.

Anyway, I didn't really care who thought what at that moment, because my desires of the flesh were too great. Sheila pulled me into a room the size of a walk-in closet. Shelves covered with dusty beakers lined the walls. A mobile of our solar system hung

into her mouth. I'll just tell you, it felt great. Why did people tell me that sex is bad when it felt like this?

Sheila's tongue trailed down to my belly button. I squirmed. My cooch was almost hurting, I was so turned on. She lifted my skirt, pulled off my panties and nudged her head between my legs.

"Omigod," I gasped. My head was spinning so hard that I used the Lord's name in vain! "Are you about to cunnilingus me?" I didn't know what I was saying. I was so horny that I wanted her to lick me more than anything in the world, but then I was also remembering that cunnilingus was supposed to be especially abominable.

Sheila laughed at me. "I'm about to lick your snatch, if that's what you mean."

from the ceiling, and a life-size 3-D model of the human head and torso sat in the corner, staring with lidless eyeballs.

"Gross," I said, staring at its intestines.

Sheila rolled her eyes. "Don't look at him. Here." The floor was cold and hard. Sheila spread her fleece anorak on the floor. I stretched out and wondered what she was going to do to me.

"I'm going to kiss you," Sheila explained.

Her mouth was soft and her tongue was sweet. She was very gentle, much gentler than I would have imagined with her wild personality. I loved kissing her a lot more than I would have thought. I felt dazed, dreamy. She unbuttoned my blouse and unhooked my bra. Softly, she rubbed my tittles. My nipples popped up like gumdrops. I shivered. Goose bumps crept over my body.

"You have cute boobs," Sheila said before popping my nipple

She is so vulgar! But that's okay. I was on fire. My legs were shaking. I closed my eyes and moaned as her mouth closed over my coochie.

It was like—I don't know. It was like, you have a vagina, but all of a sudden you have the sun and the moon and stars in your vagina, too. And they are all bursting with celestial energy. That's what it's like when a hot tongue runs through the folds of your pussy and flicks against your clitoris, and darts in and out of your hole just enough to make you insane.

"Oh God, oh God," I panted, clutching the fleece under me with sweaty hands, squeezing the fabric with every ounce of strength in me. My knees knocked against Sheila's head. I planted my feet on the floor, threw up my hips and groaned.

"Aunngh-eeeeee!" It was the orgasm of the century.

I barely had time to dress, much less collect myself. We

tumbled out of the science closet looking crazy. I made a beeline for the restroom to smooth my hair, wash my sweaty face and apply lip gloss. I smelled like girl juice, and as I wobbled into fifth period World History, I was sure I must have CUNNINGUS written across my forehead.

My time with Sheila changed me. I'd seen the truth, and there was no denying—sex is awesome.

Sheila isn't my girlfriend—I am NOT gay. Still, we definitely entered into a weird kind of relationship. We started meeting regularly after school. She'd drive us out to this deserted corner of the Colorado Springs Golf Course and make me lick her pussy in the backseat of her old Toyota 4-Runner. She licked mine, too. A lot of times, we 69ed. I know it's impure and homosexual, but Sheila is a really good friend. We were being lesbos, but we were also getting really close as human beings. She cares about me, and she's unselfish, too, because she introduced me to someone really special and didn't even get jealous about it.

Ean is a farmer. Don't laugh! He isn't, like, Farmer Brown. He's just natural. He raises goats and makes cheese and sells it to gourmet grocery stores. Working closely with the land is something I think Jesus agrees with. But my parents would probably disapprove of Ean because besides goats, he also grows pot. Also, he isn't Christian exactly, but believes in, like, the universe. Plus he's 28 and my folks would die. But none of that makes him bad.

Sheila hangs out at Ean's farm a lot on the weekends. Her mom lets her do whatever, so sometimes Sheila doesn't even come home till Monday after school. Of course I can't do that, but Sheila kept telling me how much I'd like Ean and how I had to go visit, so forgive me, I lied and told my parents I was sleeping over at this girl Bonnie's house one Saturday. I've known Bonnie since we were three. She severely disapproves of what I'm doing, but she'd never tell on me.

Ean lives like 25 miles out of town in this little farmhouse, and of course there are goats all over the place. It's pretty out there. There's also this girl from Boulder named Peace. She helps make the goat cheese, apparently.

So, that night Peace cooked dinner from veggies Ean grows,

and of course they were served with goat cheese. I had never had goat cheese before, and it's kind of weird-tasting, but I have become a very open-minded person these days. I kept staring at Ean during dinner 'cause he's adorable. Later everyone sat around the fire. Ean talked about his childhood in Kentucky and

how it taught him to love the land. His dad wanted him to be an investment banker like him, but he dropped out and moved to Colorado. He was so interesting, and as handsome as Joe Jonas.

It got late. We watched the coals glow in the fireplace. Sheila and Peace had gone to bed—probably together, I might add, but that's okay.

"You're really something, Susanna," Ean said, squeezing my hand. "You have this amazing innocence. Like, you just see so much good in everything."

I blushed. I'd never even been this close to a boy, and now here was a guy telling me he liked me, and he was so cute! I didn't know what to say.

We kissed for a long time. It was different from kissing Sheila, not only because Ean was kind of stubbly and smelled like a guy, but because it was like, I don't know, like swooning. Like my heart was swelling up. Why did my church want to keep everybody away from such a beautiful thing?

The kissing got harder, and Ean pulled me closer. Something hard pressed

against me—*duh*, I know, it was his penis. I didn't know what to do, but it sure didn't bother me. Actually, it excited me. He pressed harder and I gasped. My clit got all throbby.

"I'm sorry," he whispered. "Is this okay?"

I nodded. "Actually—do you think—would you show it to me?"

Ean pulled out his penis. I couldn't turn away. It was beautiful! So strong and firm. It wasn't scary and purple and covered with veins like this one girl at church camp told me. I was compelled to touch it. The skin was so smooth and warm, like a baby's! I thought dongs were supposed to be rough. I wanted to taste it. I closed my eyes and opened my mouth.

Ean moaned. To think I could make a guy make a noise like that! I felt so womanly, so powerful. I bobbed my head up and down and sucked. I loved the feeling, the taste. Sucking dick was the most natural thing in the world. It was intoxicating. It turned me on to turn him on.

I pulled off my top and let my boobs fly free. My panties were soaking wet. An animal had been unleashed in me. I wasn't afraid. I wanted to suck and suck, but before he came I wanted to sit down on his boner and ride him like a horsey.

I know—crazy. Here I was, a total virgin purity-ring girl ready to straddle this guy I'd just met and pop my cherry like it was nothing. But it wasn't nothing—it was a huge deal to me. I needed to give myself to him right then and experience this totally, well, can I say sacred thing?

I crawled on top and guided his penis toward my wet pussy. Ean groaned and sighed and squeezed my boobies. I lowered myself carefully, inch by inch. It wasn't a problem, 'cause I was so wet—dripping, actually. But I was also tight, and I won't lie, it hurt a little bit. I mean, when you have this tiny vagina and it's never even felt anything bigger than a fingertip, and then there's this big penis, I mean, wow! But we took our time, and soon Ean was all the way in. We moved together, slowly. It was beautiful. I'd never felt so complete. When he was ready to come, he lifted me up in his strong arms, off of his boner, and squirted his cum on my belly.

Forgive me, God, but I think that what I felt with Ean must be the religious experience I have always been seeking. I'm not sure what to do. I want to be with Ean every day, but for now I only get to see him about once every couple of weeks. Once I'm done with school I can do what I want and my folks can't stop me. I can go work on the farm and milk goats, and make love every day.

BTW—I still wear my purity ring. Yes, I'm a fornicator, but my heart is pure, because everything I do, I do with love. ★

♥ I crawled on top and guided his penis toward my wet pussy. ♥

EMMY

Hey, it's Lindsey. Insanely cute high school senior Emmy was totally shocked when she got picked for our greatest honor.

"I live in, like, the middle of nowhere!" says Emmy. "Seriously, there are more cows than cars. How did you even find me?"

Oh, it's just our BARELY LEGAL radar. It never fails!

Fave hobby: Cheerleading. All we have here is sports and horses, and horses scare me.

Sexual personality: I haven't had enough sex yet to have a sexual personality! I guess I would say I'm shy but willing to try things?

Biggest turn-on: An athletic build.

Biggest turn-off: Bad breath.

Fave masturbation method: OMG, this is so embarrassing! But I guess since I'm Teen Queen, I have to answer, right? Okay—I just basically rub my pussy with my fingers, but the main thing is, I like to do it outside. For some reason, fresh air makes me feel extra sexy! I just find a secluded area—*not* hard to do—and go crazy on my cooch.

Fave sex position: From behind.

Spit or swallow: Swallow. I think guys like that better.

To bi or not to bi: Definitely haven't gone there yet. :)

Butt sex, yay or nay: Yay! Don't laugh, but I lost my butt V. the same night I lost my regular V., on accident. His peen slid right into my heinie-hole while he was doing me from behind. I guess some girls might have totally freaked, but I was like, "Harder, harder!" It just feels really good back there!

Reason for posing nude: You asked me! :)

Ultimate goal: To move to a big city and be a professional model. ★

JESSIE ALBA

**if you could
read my
mind...**

Hey! It's Lindsey. High school senior Jessie is a super cute Amber Tamblyn look-alike who totally speaks her mind—*most* of the time.

Did you like posing nude?

Yes, I loved posing nude because it made me feel sexy and wanted, like the center of attention.

What's your best physical feature?

I guess my hair, 'cause working out made me lose my perfect ass. :{

Do you enjoy exposing yourself in public?

Depends. I'm a good girl. But even good girls like to get naughty in public.

How often do you masturbate?

Three times a day.

What's your favorite way to do it?

Vibrator and good old-fashioned bondage porn. :)

Do you like to give BJs?

I love it 'cause I'm a giver. Plus, I count every time as practice, and practice makes perfect!

Are you a spitter or a swallower?

I usually swallow. But I've had a few sour tasters that I'd rather spit out.

Do you like to have your pussy licked?

If it's from a girl, I usually love it. They tend to be better at it. But guys are just fine. I just don't like telling people how to please me.

Why not?

I don't know. I get embarrassed!

Jess, you have to get over that. Guys want to hear what we girls like.

But it sounds so stupid to say, like, "Oh, can you please move your tongue one centimeter to the left."

No, it doesn't. Try it next time you're with somebody.

Maybe.

Do you have a favorite sexual position?

That sideways missionary position.

How do you like to be fucked?

They have to be attentive and totally spoil me. I want to come first.

But you won't tell them *how* to make you come!

I can't!

Look, practice on *me*. Pretend I'm licking your pussy.

Mmm.... "Don't stop, Lindsey! Keep licking! Don't switch positions too quick!"

See? It's easy to say what you like! Let's try another one: Where do you like guys to come?

On my chest.

Okay, so, the next time you're with a guy and he's about to jizz, you say, "Come on my tits!"

OMG, no way! What if he says no? He won't, and I can totally prove it. You guys, would you come on Jessie's tits if she asked you to?

Let us know!

Yes, please let me know! ★

TANYA

catholic school girls rule

Hey, guys, it's Devon the intern, and I'm here with Tanya, a typical Catholic high school senior—in other words, a total bad girl!

Hey, Tanya! What are you into?

Music, movies, video games, outdoor stuff like hiking. I'm pretty adventurous, but I like shopping and talking about boys, too. I guess I'm really a girly girl deep down.

Are you seeing anybody?

No, I'm in a dry period right now. I hate it!

What kind of guys do you like?

Funny, outgoing, adventurous, laid-back.

How often do you have sex?

Not that often, 'cause I'm not into just hooking up. I like to be in a relationship with the guy.

How often do you masturbate?

Whenever I'm not getting any—like now!

What do you fantasize about when you masturbate?

I think about having butt sex. It always makes me come so hard.

Have you tried anal sex before?

Oh, yeah. I love it. It's so intense, and my butt hole is so tight. I love it when the guy really fills me up.

What's your favorite thing to do in bed?

Whatever gets the guy off! Usually a BJ will do the trick.

Are you good at blowjobs?

Yeah, I think so. Every guy I've been with says I'm super awesome at it.

Do you like receiving oral sex?

Only from girls. With guys, I want to get to the good stuff right away.

Have you slept with a lot of girls?

Well, I *do* go to an all-girls school. What do you think? :)

What's your favorite sex position?

Any position, as long as I come.

Where do you like a guy to come?

In my mouth. I love to swallow.

Have you ever had sex outdoors?

Yes. It turns me on knowing someone might be watching me.

What's the naughtiest thing you've ever done?

Have sex with my clothes on. This one guy really wanted me to wear my school uniform while we did it. I thought it was weird at first, but then it really turned me on 'cause it seemed extra bad. Like, what would Sister Mary Catherine say if she saw me?

Guys seem to be into Catholic school girls.

Yeah, older guys especially. I catch dudes staring at me on the bus all the time. I love it. But I pretend not to!

Do you like older men?

Oh, yeah. They're more sophisticated—and experienced.

What's your ultimate sexual fantasy?

To have two guys fighting over me, until they decide to team up and have their way with me—at the same time!

What made you decide to try nude modeling?

Because I can! *Ha-ha*, I'm legal, bitches! All the girls at school are *soo* jealous.

Did you like posing nude?

I loved it. It was so wild. I was proud of myself for going through with it! ★

Fuck that shit! I felt good! Real good! Better than I've felt in a long time.

The only thing that could have made it better was if Erica was here...

Anyway, I woke up to the sound of Professor Wilson snoring next to me. He looks different without his glasses... more laid back or something...

But, where was Alina?

After putting on a shirt I went to the window and looked out onto the beach. The sun was already up... caressing the water and the sand...

Beautiful!

I started thinking about going out there but, my tummy had other ideas...

When I got to the kitchen I found Alina with a really ugly black man who I later found out to be Milton.

He was fucking her so hard that those giant milk jugs (really, what else can you call them?) were flopping all over the place with every thrust...

I quickly forgot how hungry I was...

At least
for food
anyway...

Now let me explain something--
Before yesterday little Ms. Moly
Fredrickson would've hesitated
but at that moment...

I just dived right in.
Shit! That was crazy!
Tasty too! It was funny
how they were so into
each other that they
didn't even notice me! I
loved it.

The slap! slap! of
their thighs, Alina's
constant moaning and
Milton's grunts! It was
great until finally--

AAAWWW
SHIT!!!

SPLURT!

SPLURT!

SPLURT!

VANESSA

the freshman experience

photography by steven andres

What up? Shawna the intern here getting up close and personal with go-getter college freshman Vanessa. She managed to avoid the "freshman 15," but college is living up to all her other expectations—in bed!

Hey, Vanessa! What are you into?

Studying, partying, guys, singing, dancing, hanging out with my girls.

What are you studying?

Psychology. I'm fascinated by what makes people tick.

Are you seeing anybody?

I'm not serious with anyone, no. Dating is different in college. It's more casual.

Is it more, like, random hook-ups?

Well, not totally random, but yeah. There's tons of hot guys everywhere.

What do you look for in a guy?

Someone I can have fun with and who makes me feel safe.

What do you do to turn a guy on?

I find the best way to get a guy's attention is to touch him. I'm not talking, like, grabbing his peen—although I've done that, too! Just a touch on the shoulder or the back of the leg lets a guy know you're interested.

What's your favorite thing to do in bed?

Foreplay. I like to have my nipples sucked and pinched and played with and my pussy eaten. Knowing I'm about to get fucked drives me up the wall!

Have you ever been with a girl?

Yes! My roommate and I fooled around like the first night we got here. I wanted to see what the fuss was all about.

How was it?

It was hot. I'm not the biggest fan of eating pussy, but I'll let her go down on me whenever she wants! :)

What's your favorite position?

Doggy-style. The harder the better. I like to get really *pounded*.

What's the best sex you've ever had?

Sex on the beach. Making love by moonlight and hearing the waves crashing around you—it sounds so comy, but it's actually completely awesome.

What's the naughtiest thing you've ever done?

I filmed my roommate and her boyfriend doing it. What? They asked me to! It was pretty hot. I had a hard time keeping the camera steady—'cause I kept touching myself!

What's your ultimate sexual fantasy?

To be a stripper or a porn star and have all eyes on me.

Is that why you decided to pose nude?

Pretty much. I'm proud of my body—and I like the idea of turning guys on. ★

BARELY LEGAL BOX OFFICE

WE GIRLS AT BARELY LEGAL THINK THE BEST PERSON TO JUDGE THE REALNESS AND HOTNESS OF A LEGAL-TEEN VIDEO IS A REAL, HOT LEGAL TEEN. HERE TO REVIEW THE LATEST RELEASES IS THIS MONTH'S GUEST CRITIC, EMMY.

Aren't Sindee's socks adorable?

Adriana was tight yesterday.

LAME, BUT BETTER THAN DOING NOTHING.

GOOD ENOUGH TO COME WITH THE HELP OF A FINGER.

BORING, BUT FORGETTABLE, LIKE DOWNING MACKING WITH A CUTE STRANGER.

THE BARELY LEGAL BOMB?

BARELY LEGAL INTERACTIVE

HUSTLER Video. Directed by Michael Adam; starring Stephanie Cane, Eva Angelina, Sindee Jennings, Adriana Nevaeh, Jordan Ash, Voodoo and Mick Blue.

BARELY LEGAL Interactive is way more fun than your usual DVD. Instead of just watching these hotties have sex, you get to choose what you want them to do—and what you want to do to them! Sindee Jennings I actually stressed over. She walks up wearing a super cute cheerleader outfit, and she's all, "Do you want me to wash your car naked or clothed?" Um, yes! Through the magic of DVD, I was able to have it both ways. As soon as I calmed down enough to form a thought, I was like, That means she had to wash that car twice! I hope they paid her an extra \$20 for that. But seriously, it was really cool—and super hot—the way the girls would say, "Do you want me to do this or that?" and then do your bidding! Here's a tip: When Adriana Nevaeh asks you if you want to watch her take a shower, say yes! With all those options, you could watch the movie a million times and not watch the same thing twice. Plus, the first-person P.O.V. is neat—it's the next best thing to boning these girls in person. Want to get a teenager to do what you tell her to? *Pfff!* Like that ever happens! *BARELY LEGAL Interactive* is totally your best bet.

It pays to be a mom bodder with Eva.

ANGELINA

**I'm a big girl
now!**

Hi, guys! It's Shawna the intern. The first time Angelina posed naked for us (*Cinnamon Buns*, February 2008), her perky boobs were size 34B. By the time she was lezzing out with her BFF Ginger (*[Sex] Toy Story 2*, June 2008), they had grown to 36Bs. Now she's a whopping, natural 38C! And she's more sexually experienced, too!

Hi, Angelina. What's new?

Not much. I'm still in school. I changed my major to biochemistry. I want to be a CSI. But for now I still work at Cinnabon—and model part-time, obviously.

Do you have a boyfriend now?

I *did*. We just broke up not too long ago. He didn't like me doing nude modeling, but I didn't want to give it up! The guy who's right for me will accept me for who I am.

Do you like exposing yourself in public?

I like being naked, but I wouldn't want to get busted for it! I'll stick to plain nude modeling, thanks. Outside of that, I'm not too wild.

Any new sexual experiences since last time?

I tried anal! I finally took the plunge. I was afraid it would hurt, but it totally didn't. Honestly? I've had some *really* intense orgasms from butt sex.

----->

Do you like it better than regular sex?

For now, definitely! It's so extreme. I love how naughty it makes me feel.

Any threeway action?

No. I've always fantasized about a threesome, but I don't think I would really want to share a guy with another girl—I'd want him all to myself!

How's Ginger?

We're still close. We fool around sometimes. But mostly we just make out at parties to turn on guys. Finding a new boyfriend is my number-one priority right now.

What are you looking for in a new boyfriend?

I know it's shallow, but right now I really want a guy who's good in bed and can teach me things, so when I do meet Mr. Right, I'll totally know what I'm doing.

What sexual activity are you best at?

Giving blowjobs. I've had way more practice sucking cock than doing anything else.

Where do you like a guy to come?

I'll swallow if he wants me to, but I really like it when a guy comes on my boobs.

I can't help but notice how big your boobs are now. Are they real?

Of course! I guess I'm still a growing girl!

Do you like having big boobs?

I like the attention I get from guys, but I'm not, like, an attention whore or anything. I don't flaunt them *that* often.

So, you obviously like nude modeling. Any advice for girls who are curious about trying it?

Just be comfortable with who you are, don't blow a guy just because he says he's a talent scout, and always, always have fun! ★
